

## GROCERY LIST

The ingredients listed here are everything that you'll need for this Week of One Dish Kitchen meals, serving 1 person (sometimes with a little leftover!).

We suggest utilizing this shopping list with these easy steps:

- Each ingredient notes which night's meals the ingredient is used in (indicated in parenthesis). If you choose not to make a particular recipe this week, simply cross off the ingredients associated with that meal.
- Before heading to the grocery store, make sure you don't currently have the item in your pantry, refrigerator or freezer. Many of the ingredients used in this week of recipes are staples. If you already have an ingredient at home, cross that item off your shopping list.

**Eggs/Dairy**

Fontina cheese (Mon)
